Thank you for making us aware of this attempt. We are very interested in tracking anything of this nature in the most fine line detail. Your taking the time to report these details to our office allows us to the opportunity to focus in this area and maintain a careful eye for any additional suspicious activity. We do a lock check on each individual unit on a daily basis and will continue to do so to protect our facility from an unwanted intrusion from those who like to take advantage of others.

**Thank You From The Staff At Valley Mini Storage.**
